

INDEXING SOCIETY OF CANADA
SOCIÉTÉ CANADIENNE D'INDEXATION

Dear Indexing Student:

Congratulations on your decision to learn indexing! At this time, you may be feeling excited, bewildered, or both about your course.

You may be learning indexing as part of another program. Or perhaps you are going to make a career as an indexer. Whatever brought you here, we would not be surprised if you've never met an indexer in your life. And that's why we're writing to you.

We're the Indexing Society of Canada / Société canadienne d'indexation (ISC/SCI), Canada's professional society of indexers. We would like to tell you about the many indexing resources available to you to round out your studies and help you in your career.

Resources

The ISC/SCI's mission is to encourage the production and use of indexes, promote the recognition of indexers, improve indexing techniques, and foster communication among individual indexers across Canada. Our vision is "Accessible information; informed people."

We fulfill our vision and mission by providing the following:

Indexers.ca

On our website, you'll find

- a list of the reference books that indexers use to solve their indexing conundrums;
- links to the three major indexing software programs;
- advice we give to authors about hiring an indexer;
- links to join discussion groups, forums, and special interest groups covering a wide range of topics, such as interesting indexing situations, specialty subject matter, and professional etiquette;
- back issues of the *Bulletin*, the newsletter of the ISC/SCI;
- links to affiliated indexing societies in the US, England, Netherlands, Germany, Australia and New Zealand, South Africa, and China; and
- links to more indexing resources.

Regional meetings

From time to time, our regional groups have meetings and get-togethers to talk about indexing and the freelance business lifestyle. These meetings are typically open to everyone and are announced on the website calendar. There may be an upcoming event in your area!
